Dear Parents /Carers,

It is difficult to believe that Friday 28th June marks the end of Term 2, 2019. Everyone is welcome to attend our final Whole School Assembly for Term 2 at 2.05pm on Thursday 27th June in the Multi-Function Room.

Children will finish school on Friday 28th June at 1.00pm

All children return to school on Monday 15th July

Thank you to everyone in our school community who has contributed in any way to the smooth running of Corpus Christi School during this term.

Wishing everyone a happy, safe and restful holiday.

From all the Staff at Corpus Christi Primary School.

*With kind regards,
Linda*

FEAST OF CORPUS CHRISTI MASS

Thank you everyone who was able to join us for this most prayerful and significant mass yesterday Tuesday 25th June to celebrate as one community, as one Body of Christ, the Feast of Corpus Christi. The Foundation Unit, Student RE Team, Miss Mendoza and Mrs Adamko prepared a beautiful and very meaningful and reverent mass for our school. The children need to be congratulated on their beautiful reading, the way they responded during the mass and for their lovely singing of hymns. Additional activities were planned for the day during which children enjoyed a wonderful session with "Kaboom" and then worked in Groups on Art works reflecting who we are as a school community. A display of the work will be placed in the main building walkway when complete. A great day of celebration was had by all!

MIDDLE AND SENIOR ATHLETICS DAY

What a great day! The weather was certainly kind and contributed to a most successful Athletics day for our Middle and Senior students. Miss Dundov and school staff need to be congratulated on a marvellous job in ensuring all aspects of the day went smoothly. Thank you to our many wonderful parents and family members who gave their time so generously to support on the day in so many ways, your help was greatly appreciated. The children did us proud as they participated in activities and encouraged one another throughout the day. Well done everyone.

BOOK FAIR

What a great success!! Mrs Judie Baird is to be congratulated on her excellent planning and organisation of all aspects of the Book Fair. The number of parent helpers was wonderful and their help was certainly needed and greatly appreciated. Thank you to all the children and families who supported the Book Fair by purchasing many beautiful and interesting books. We are very grateful to everyone who supported in some way to ensure the smooth running and success of the Book Fair. Thank you!

SEMESTER 1, 2019 STUDENT ACHIEVEMENT REPORTS AND LEARNING JOURNEYS

Student Learning Journeys went LIVE and were available via email from the 'TeacherCloud' on Friday 14th June . **Student Achievement Reports** were made available on Monday 17th June and can be accessed by Parents through [our new CC Parent Portal](#).

If you have had difficulty accessing your child's Learning Journey and/or Student Achievement Report please do not hesitate to contact Mrs Anne Walton – annew@ccwerribee.catholic.edu.au or the School Office for support.

Thank you to all families who attended Parent Teacher Child Learning Conversations (PTCLCs). These provided a valuable opportunity to share and celebrate your child's many achievements while also identifying future goals.

ANNUAL REPORT TO THE COMMUNITY

The 2018 Annual Report to the Community is now available from the school office and on our Website. www.ccwerribee.catholic.edu.au. Please see our office Staff if you wish to borrow a copy to read. Any feedback would be greatly appreciated.

NUMERACY FAMILY NIGHT

Thank you to all our families who were able to attend our Numeracy Family Night on Tuesday 11th June. The turnout was fantastic!

Thank you to Mr Peter Donoghue, our Numeracy Leader, to the Numeracy Curriculum Team members and to all the staff who attended the evening for their facilitation of the many workshops that families attended.

The evening provided a great opportunity to hear about how mathematics is taught in schools today and how the promotion of using varied strategies is a strong focus in the teaching in numeracy.

Please feel free to email to me any further suggestions or thoughts about what you feel may be useful as a focus when designing future workshops or parent forums.

Once again thank you for your attendance and participation in a very successful educational evening!

Our next Family Curriculum Evening will focus on Learning in Literacy and will be held on Wednesday 14th August at 6.30pm. More details will follow early in Term 3.

STAFF NEWS

I wish to inform you that Mr Peter Donoghue will be leaving our school at the end of the term to take on another significant Numeracy Leadership position at a school in Melbourne's north. We thank Peter for his wonderful contribution to Corpus Christi as Numeracy Leader and staff member during his time with us and wish him all the best in his new venture. Please be assured that our current Numeracy Team members and all staff at Corpus Christi are committed to the continued delivery of high quality Numeracy programs that meet the needs of all our children.

In addition, I wish to notify our community that Miss Leanne Spence will be on Long Service Leave for the first 7 weeks of Term 3. Mrs Anne Walton and Mr Mark Grant will be replacing Leanne in Senior Spence.

Also, Mrs Glenda Flynn will be on Long Service leave from 19th June to 2nd August. Mrs Shelley Cran and Mrs Bec Oliva will be on leave until 22nd July. We wish Leanne, Shelley, Bec and Glenda safe and enjoyable travels.

With kind regards,

Linda

Education in Faith

We've had quite a term for Education in Faith! It has been filled with many celebrations and events.

SACRAMENT NEWS

We congratulate our Year 6 students who received the Sacrament of Confirmation on **May 24th 2019 at St. Andrew's Sports Centre**. Bishop Mark Edwards celebrated the evening along with Fr. Albert, Fr. Anil and Fr. John Paul. It was a beautiful, reverent and special evening and we thank you for your support and prayers for the children and families.

Special Celebrations : CORPUS CHRISTI FEAST DAY

We've had many special celebrations this term including the Feast of Corpus Christi which we celebrated yesterday (25th June). Our day started with Kaboom sports followed by activities relating to Corpus Christi. We ended our day with Mass to celebrate as one community, as one Body of Christ. Thank you to our families who joined our celebration.

ST. VINCENT DE PAUL WINTER APPEAL

Every year we come together as a school to support St. Vincent de Paul's annual winter appeal. We thank all our families who got involved to help in whatever way we can to those in our local community. If you would like to continue to get involved please view <https://www.vinnies.org.au/page/Contacts/VIC/> to see the many ways you and your family can support St. Vincent de Paul who continue to assist people in need across Australia.

EUCCHARIST NEWS

Families would have received their Mass allocations for First Eucharist for the 1pm or 3pm Mass. Children will be receiving their First Eucharist on **Sunday 18th August** at St. Andrew's Church, Greaves Street. There will be reminder notes early next term for the Parent Information Evening and celebrating Reconciliation before children receive their First Eucharist.

SENIOR UNIT MASS AND COMMUNITY MASS

The Senior Unit would like to invite families to the Senior Unit Mass on the first week of school **Thursday 18th July at 9am in the MFR**. We also invite families to attend the community mass on **Sunday 21st July at St. Mary of the Cross Chapel, 10am**.

JUNIOR PRAYER NIGHT

Early next term, our Junior Unit will be holding their Junior Prayer Night on **Tuesday 23rd July 6:00pm**. We invite our Junior families to attend this evening.

Upcoming Events:

- 18th July - Senior Unit Mass, 9am in the MFR
- 21st July - Community Mass, 10am St. Mary of the Cross Chapel
- 23rd July - Junior Prayer Night, 6:00pm
- 30th July - Parent Information Evening for First Eucharist, in MFR
- 7th August - Reconciliation before Eucharist, St. Andrew's church, 6:30pm
- 9th August - St. Mary of the Cross MacKillop reflection before assembly
- 15th August - Junior Unit Mass,
- 18th August - First Eucharist (1pm or 3pm), St. Andrew's

Miss Richelle Mendoza, Religious Education Leader

Learning Community News

MIDDLE UNIT NEWS....

The Middle Community have enjoyed planning and researching a South American country throughout this term. On Wednesday 19th June, the students had a chance to showcase what they had learnt about South America to other students and teachers in the Middle Community.

In Numeracy, Middle students have been learning about multiplication and have looked at different ways to solve multiplication problems such as using distributive property. Students are continuing to use Mfacts to develop their multiplication skills and fluency. We have also been learning about different types of shapes, angles and lines such as perpendicular and parallel lines.

Students have been learning about information reports and have been involved in writing some information reports, making sure they follow the correct structure.

We are continuing to work on reading workshop groups each week and the students are working on specific comprehension skills that they need to develop.

We encourage parents to assist your child in bringing their diary every day and checking their diary weekly.

If you have any questions, please don't hesitate to speak with your child's teacher.

Kind regards,

The Middle Team- *Helen Drezga, Ben Richards, Megan Urlichs, Stephanie Mobilio, Eugene Volkwyn, Peter Donoghue, Jenai Harrington, Lyn Tramontana and Karen Pacifici.*

FOUNDATION UNIT NEWS....

Wow what a busy term we have had in Foundation. The Foundation students this term were lucky enough to attend an Art excursion to support our Inquiry unit. The children hopped on a bus to The Royal Botanical Gardens and what an adventure we had. Besides the downpour, the children participated in a range of activities such as collage making that involved patterns, painting, leaf rubbings and an exploration of the gardens. We are so proud of the students willingness to join in and their behaviour throughout the day. They were great representatives of the Corpus Christi Community.

In Maths, we have been learning how we can collect information, this is called data. The students have been exploring questions such as what is the most popular eye colour in our class? and what is your favourite animal? We then analysed the data we collected and put that information onto a graph. From there we were able to see what was the most and least popular choices.

In Religion, we have been discussing the importance of our school house colours and the meaning behind the names we have selected. We have learnt that Mary Mackillop is very special to us because it was her idea alongside Father Tenison Woods, to start building schools for children.

In Literacy, we have continued our guided reading groups where we have been learning different strategies to help us decode unknown words in a text. Please continue to read with your child over the holidays so they can practise using different reading strategies for unknown words.

Congratulations on another great term at Corpus Christi. We wish you all a safe and happy holiday. We look forward to seeing you all back in Term 3.

Stay up to date with the happenings in Foundation on the Remind App : Yellow [@yellow2019](#) **OR**

Learning Community News

SENIOR UNIT NEWS....

We have continued to have a very busy and productive Term Two. Students have been busy working to criteria to complete different stages of their 'Puberty Survival Kit'. We look forward to hearing the many presentations that display growth and change over time. During Religion, we have taken our experiences and knowledge of the Sacrament of Confirmation into exploring past and present examples of Discipleship in our world. We have used this to plan how we can act like Disciples in our world today.

Our Wellbeing Workshops have been a great success as students build their bank of strategies to make friends, deal with stress, be positive, manage their social filter, explore being confident and effective ways to manage peer pressure. They have also expanded their awareness of being smart, safe cybercitizens along with ways to be safe and manage themselves around drugs.

Our first round of Book Clubs will come to an end with many students celebrating finishing a book, being involved in discussions, comparing & contrasting events and characters along with developing inferring comprehension skills. We plan to begin a new book club rotation at the beginning of Term Three. Students have already started to use their students voice to suggest new books and make choices based of covers, burb, students' reflections and areas of interest.

We look forward to ending our last week of Term Two as we finishing exploring some Mathematical concepts of angles, shapes along with fractions, decimals and percentages. These concepts will continue to make some appearances in our learning as the year progresses and we make links to all areas of Mathematics.

Senior TEAL Community Remind Code is @seniorscc

JUNIOR UNIT NEWS....

It has been a busy term for the Juniors. It is great to see students positive and engaging with their learning.

In Inquiry, students have been doing rotations with each teacher to learn about different parts of the environment such as plants, mini beasts, bees and the water cycle. From their sessions, students have used all the information they have learnt and have written Information Reports with labelled diagrams. Students are in the process of publishing their reports.

In Religion students have been learning about the Church and how;

- Sunday is the Church's day of gathering
- All people can be people of God
- The parish looks after and cares for one another
- God acts and speaks through the Church

Next Term the **Junior Prayer night will be in Week 2 on Tuesday the 23rd July**. Students will be looking at the different schools in St. Andrew's Parish and how the Parish help the community.

In Mathematics, students have been learning about subtraction strategies such as counting up, counting back, using fact families, linking subtraction with addition and using place value to subtract. Continue to ask your child to count backwards and solve subtraction problems. We also have been using the bee bots and using Google Earth to learn about location and giving directions.

In Wellbeing, students have engaged in rotations with the Junior Teachers to learn about the importance of honesty, kindness, playing fairly and strategies to stay calm. Ask your child about some of the exciting things they have been doing in Wellbeing.

Have a wonderful break.

Yours in Partnership, Michelle Surmiak and the **Junior Team**

Learning & Teaching News

FAMILY LITERACY NIGHT WEDNESDAY 14th AUGUST 2019

Corpus Christi would like to invite all families to a Literacy Family Night in Term Three on *Wednesday the 14th August from 6:30pm to 8:00pm.*

We considered your feedback from previous events, in deciding what areas of Literacy we will be presenting on the night and we are excited to say that all who come will have the opportunity to visit three workshops consisting of:

- **Storytelling** : ‘Ways to engage children and families in Reading’
- **Writing**: ‘How to engage children in a variety of writing strategies and prompts’
- **Spelling**: ‘How does spelling work ?’

Families will end the night with some great ideas and practical ways to help children develop success in Literacy.

We hope to see you all there in Term 3

If you have any questions about the Family Literacy Night , please ask!

We will be sending out an expression of interest letter to gauge how many families we might expect on the night and we look forward to your responses.

Peta Cesarec, Learning and Teaching Leader

ICT News

It was great to see so many parents and carers being able log in to our new Parent Portal, getting access to Student Achievement Reports, and making appointment times for Parent Teacher Child Learning Conversations. We hope that you enjoyed seeing your child’s Learning Journey (via TeacherCloud) through Term 2. Look out for the Learning Journey to continue in Term 3.

If you are yet to log in to the Parent Portal and open the email from ‘TheTeacherCloud’ we encourage you to do so. If you have experienced difficulties, please get in contact with the school office or with Anne via email at annew@ccwerribee.catholic.edu.au

Numeracy News

Thank you to everyone that attended the Family Numeracy Night. I hope you walked away from the evening with some useful information and activities that you can use with your child/children at home. Thank you to all the staff that assisted on the night in making it such a successful evening.

Some of the main points discussed at the Family Numeracy Night were:

- Explore **one problem many ways** NOT **many problems one way**
- Understanding how to use **efficient** (*quick and easy*) strategies is important
- Students begin learning by using **concrete materials** such as counters. Then they move to the **semi concrete / pictorial stage** of drawing pictures/diagrams to solve problems and eventually they advance to the **abstract stage** where they can work out problems in their head.
- Only use the written algorithm strategy (borrowing and carrying) when students understand other strategies and can add and subtract 2 digit numbers in their head
- When teaching place value, present numbers and discuss their full value: **104** as: **ten tens and four ones** or **one hundred and four ones** or **104 ones**
- Work on ten more and ten less such as ten less than 601
- Use concrete materials such as bundling sticks and 100 dot cards to teach place value
- Answers do not involve exchanging units. For example, students solve 195 and ten more is 205, but don't need to explain this by trading 10 tens for 1 hundred
- The aim in teaching place value is to cultivate strong mental strategies
- Focus on the process, not the end result - encourage and praise your child for their working out and persistence
- If your child is having trouble working out a problem ask if there is another way they can work it out
- Don't tell your child that they are smart or clever at Maths - if they make a mistake they will think they are not smart anymore
- Research has found that positive parent emotions lead to positive student emotions, and positive student emotions are connected to better performance
- When students believe that everybody's ability can grow, their achievement improves significantly

Here are some effective questions you could ask your child when they arrive home from school:

- What did you discover today?
- What did you find challenging? What would you do differently next time?
- How did you work it out? (Strategy used)
- Why did you do it that way?
- Is there another way? Which strategy was more efficient?
- Did you see or hear another strategy that was efficient?
- How has your thinking changed?

Have a great week!

Mr. Peter Donoghue, **Numeracy Leader**

Our Big Day Out!

Foundation excursion to the Royal Botanical Gardens

On Friday 24th May the Foundation Community went to the Royal Botanical Gardens. The children were taken on a guided tour where they were shown different types of plants. They discussed the colours, shapes and textures they saw and felt. The students also participated in an activity where they made a leaf rubbing on material and created mandalas using natural materials. The experience complemented the Foundation Inquiry and Art units and a great day was had by all.

Italian/Art NGV Excursion

On Friday 7th June the Middle Community went to the National Gallery of Victoria. The students participated in a tour which highlighted Italian pieces, they then were taken to a workshop where they had the opportunity to create their own sculpture inspired by what they had seen. Teachers also guided the students through the Venetian glass and Japanese porcelain exhibitions which will inspire the childrens' next art piece in the Art room.

CORPUS SPORT NEWS

Cross Country: Thursday the 20th of June

Five Corpus Christi students competed in the Western Metro Regional Cross Country Championships at Brimbank Park. Congratulations to each student for completing their race in cold and wet conditions. We are all very proud of you! Thank you to the parents for transporting and supporting their child on the day.

We further congratulate Matthew Musarra (Year 6) who ran exceptionally well on the day and has qualified for State level of competition. He will be running his heart out at the State Cross Country Championships on the 18th of July in Bundoora. A great achievement for Matthew who has worked extremely hard over the years to reach this goal.

Years 3 - 6 Corpus Athletics Carnival: Monday the 24th of June

Students in Years 3–6 applied their athletic skills developed during Physical Education this term to the annual Corpus Christi Athletics Carnival. Even on the coldest mornings of winter, the sun was bright in the sky, bringing joy and relief to us all at the VU Athletics Track. Events included hurdles, discus, long jump, triple jump and the traditional sprints. It was great to see everyone working together to make our carnival an enjoyable and successful experience. The spirit of the students was excellent and they are to be congratulated for the great determination they displayed for their House throughout the day.

Students will find out early next term if they have qualified for their age group for the District Athletics Carnival, to be held on Wednesday 28th of August at the VU Athletics Track in Hoppers Crossing.

Thank you to all the Corpus staff for their endless support before and during the day. A special mention to the parents and volunteers that helped out on the day. Your contribution during setting up, supervising students, running errands and packing up did have a great impact and I would like to say a BIG Thank You!

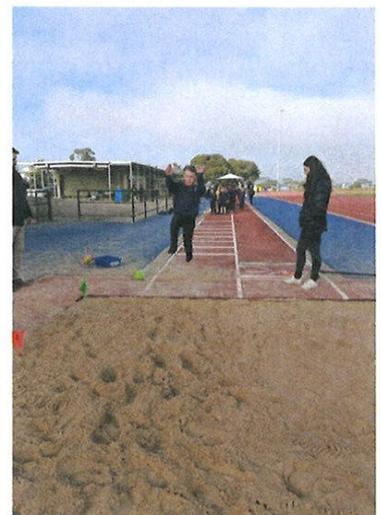

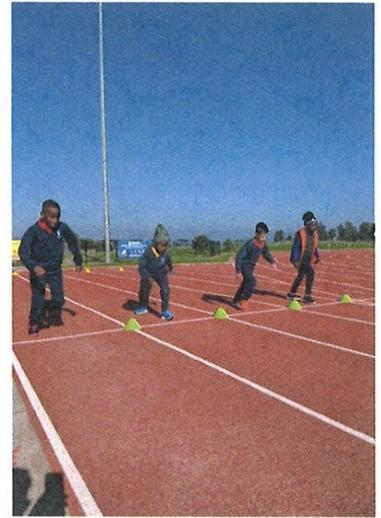

Yours in Sport

Miss Dee Dundov

Physical Education/Interschool Sports Leader

Library Corner

Book Fair has now finished and by now all books should have been delivered to those children who ordered books.

A shout out goes to Kelly Hollman, Maree Whelan, Trish Georgas, Natalie Dimitriadis, Simone Ballan, Belinda Delaney and Michelle Forte, without the help from our wonderful mums the Fair would not be such a success as it is. A shout out also goes out to our families and children who support this event.

All monies that have been raised through the sale of books have already been spent and in the coming weeks children will see new books that were bought on the shelves.

Quote: “Books are a uniquely portable magic.”

REMIND APP

Stay connected with news & reminders from your child’s learning community!

Download the ‘Remind’ App and use your child / ren’s Community Remind Code to get started!

For information visit: <https://www.remind.com/families>

WEEKEND MAINTENANCE PROGRAM

Weekend Maintenance has been running smoothly - thank you to everyone who has helped so date. As your rostered Sunday approaches a green reminder notice is sent home to you via your eldest child. Families will receive an SMS reminder, usually the Friday before a rostered Sunday also. Thankyou for your support of the program and our school.

OSHC – Holiday Program at Corpus Christi

The need for child care during holiday periods has increased greatly over time and the current programs in our parish cannot cater for the growing needs. As a service, (particularly for our families who will be given preference), we have engaged Quantin Binnah (QB) to deliver a Holiday Program based in our MFR during holiday periods to run their program.

We look forward to our growing partnership with QB in supporting the families in our school and broader community. We are planning for our first Holiday Program to begin in June. More details will be forwarded to all families as they become available.

Parents & Friends News Term 2

This term Parents and Friends have organised the following fundraisers and activities for our School Community. We would like to thank everyone who has continued to support our school this term.

MOTHER'S DAYS STALL

Many thanks go to our volunteers who stocked, sorted and sold our wonderful Mother's Day items last month. Feedback from our mums indicated how thrilled they were to receive these special gifts.

SUBWAY LUNCH DAY

Coming up on Tuesday 25th June is Subway Lunch Day as part of our celebration for the Feast of Corpus Christi.

CHOCOLATE DRIVE

Last Thursday we were thankful to for our helpers who packed and distributed the chocolates for our Chocolate Drive. Please sell what you can and return money/ or chocolates to school. Each community will have an incentive for the early return of the money of any unsold chocolates. Thank you for your cooperation.

SCHOOL DISCO

Our final activity for Term 2 is our ever popular Disco. Our Disco is on Thursday 27th June and runs from 5—6:15pm for our F—2 communities and 6:45—8:15pm for our 3-6 communities. Hot Dogs, Popcorn, and glo sticks will be available for purchase on the night. Please see the letter that went home for ticketing and other information.

As always our help and support is very much appreciated as we continue to work together for the benefit of our school community.

TERM 3

Meeting dates: 7:00pm in the Corpus Christi Staffroom 16th July, 20th August, 17th September.

What's On.....

Jeans for Genes Day and Subway Lunch - Friday 2nd August

Father's Day Stall - Thursday 29th August

Footy Colours Day (Hot Dog Lunch) - Friday 13th September

ST ANDREW'S PARISH NEWS

PARISH FAIR COMMITTEE MEETING

The 2019 Parish Fair will be held on 16th November 2019. The next Parish Fair Committee Meeting will be held on **Wednesday 10th July at 7:30pm in the Penola Hub**. Everyone is invited to attend and new members are always welcome. Hope to see you then!

GODSTART Our next GODSTART is Friday 5th July 2019 during the school holidays which means your primary aged kids can attend too!!! **Friday 5th July 12:30pm to 2:20pm at Penola Hub, 33 Mortimer Street, Werribee. Please RSVP to Susanne 0438 372 952**

NEW PARISH SCHOOL IN ST ANDREW'S PARISH

You may be aware that we are building a new Parish Primary School in the Parish of St Andrew's – taking us up to 6 primary schools! Please find following a message from Fr Albert regarding our new school in the Harpley Estate which is scheduled to open in 2021.

Dear Friends,

Good day to you. As you all are aware that we are in the process of building a new primary school for the parish of St. Andrew's in the Harpley Estate. The school will be opened in 2021. We invited the parishioners to propose a name for our school name and then again to vote for their preferred name out of four names proposed - St. Luke, Galilee, St. John Paul II & St. Joseph.

It was wonderful to see 425 people participated in the voting and 195 of them voted for St. Joseph in honour of the Sisters of St. Joseph who had been pioneers in the parish, St. Andrew's school & MacKillop College.

The wish of the people was sent to the Arch Bishop for his approval and as the Arch Bishop is away in Rome the Vicar General has given us the approval.

So I am pleased to convey the glad news to you that our new school in Harpley Estate will be called ' St. Joseph's Catholic Primary School'.

I will be announcing this in our parish this weekend and you may let your children and their families know via the school newsletter or other means next week.

Thank you and your school community for getting involved. God bless you.

-Fr. Albert

2019 SCHOOL CALENDAR & EVENTS

Thursday 27th June	Whole School Assembly 2:05pm in the MFR All Welcome to attend SCHOOL DISCO - Whole School
