#### WEEK 10, TERM 3

Visit our website at [www.ccwerribee.catholic.edu.au](http://www.ccwerribee.catholic.edu.au) and Download the School App (bottom of home page)

Report STUDENT ABSENCES [ccschooloffice@ccwerribee.catholic.edu.au](mailto:ccschooloffice@ccwerribee.catholic.edu.au) OR 9741 8440 by 9:30am

**Dear Parents/Carers,**

*Once again it is difficult to believe that we are nearing the end of a term.*

***The children break up for Term 3 holidays on Friday 20<sup>th</sup> September at 1:00pm***

*I would like to thank all who have contributed so generously and in so many ways to the life of the school so far this year.*

*I truly appreciate all that you do to work together in partnership for the best outcomes for all our children.*

*As a staff we wish you a very restful, peace-filled, happy and safe holiday.*

*We look forward to everyone's return on Monday 7<sup>th</sup> October for the final term of 2019.*

#### **Supervision After School – IMPORTANT CHANGE** **regarding Access Times to our Play Areas after School**

***Beginning in Term 4, in order to enable the safe supervision of our children in the Out of Hours School Care (OHSC) program, I ask that All family members make their way to the Front Grassed Area by 3:30 pm every afternoon to continue to play or wait for siblings who may be arriving from MacKillop College.***

#### **SUPERVISION AFTER SCHOOL**

From 3:05pm until 3:30pm please remember that for safety reasons no child is allowed on the SENIOR PLAYGROUND, BASKETBALL COURT or the OVAL after school without the DIRECT supervision of parents. In addition, toddlers and preschoolers may use the JUNIOR PLAYGROUND only with DIRECT supervision of parents at all times. *As indicated above, families still onsite after 3:30pm are asked to move to the front grassed area of our school to continue to play or wait for siblings who may be arriving from MacKillop College. This will enable Out of School Hours Care providers to move from the MFR at this time and use the playgrounds, etc with the children in their care. Your cooperation is appreciated.*

#### **SUPERVISION BEFORE SCHOOL**

Supervision of students at Corpus Christi is provided from **8:15am** each morning. For the safety of all students it is important that children are not dropped off prior to this time as there is no supervision on yard. If care is required before 8:15am please contact representatives at our Out of School Hours Care (OSHC) Program on 9742 5040 to organise Before School Care. At 8:15am children need to wait at the entrance doors to the office until a supervising staff member begins duty. At this time children from Grades 3-6, only, are allowed on the Senior playground. Children in Grades P-2 are able to use the Junior playground.

#### **OSHC ACCESS**

Students are dismissed at 3:05pm and need to leave as per the designated 'End of Day Structure' at this time. If parents cannot pick up their children by 3:05pm, our Out of School Hours Care (OSHC) Program can be accessed. Once again, please contact the OSHC co-ordinator for details on 9742 5040.

## **FIRST EUCHARIST CONGRATULATIONS!**

Congratulations to all our children who celebrated their First Eucharist at St Andrew's Church on Sunday 18<sup>th</sup> August. We wish to especially thank the Middle Unit Team - Mrs Helen Drezga, Mrs Megan Urlichs, Mr Ben Richards, Mr Eugene Volkwyn, Miss Stephanie Mobilio, and Miss Richelle Mendoza, for preparing the children so well. Thank you to all staff who supported these children on their special day and through programs at school. We also acknowledge and thank all Parents and Carers for your work in preparing the children during this most important time and for helping your child to understand the true meaning of this special sacrament - that they received Jesus for the first time in the Eucharist.

*I ask that you keep these children and their families in your prayers.*

*May we together continue to support these and all our children in their faith journey.*

**Friday the 30th August** saw our **Father's Day** breakfast, guest speaker and liturgy take place. We had a huge response to this special day, with many dads or special men in our students lives enjoy the yummy breakfast of a hot drink, bacon, eggs or kransky. Thank you to the Trovarelli family for supplying our bacon, bread and sausages. Thank you to some of our wonderful staff who cooked the breakky on the day and served the dads, and for supervision on early yard duty .... Mr Volkwyn, Mrs Baird, Blair Adamko, Mrs Vlcek, Mrs Flynn, Mr Buslon Mrs Cesarec, Mrs Walton and Ms Dundov.

**Mr Peter Frazer**, was our guest speaker and shared 'A Father's Tale' which told of the tragic car accident and passing of his 23yr old daughter due to a distracted driver..... His message to everyone is the immense importance of being :

- > fully present when driving
- > be patient
- > be courteous
- > be mindful

**Our Middle staff and students** then led us in a prayerful celebration of our fathers and men who are father like figures in our lives. We thanked God for them and asked his continued blessings on them, to love, guide and care for their children.

**We concluded the morning** with an invitation to our dads/ grandads to visit classrooms.

### ***"FLIPPING" LUNCH EATING TIME***

#### **Important Message Regarding Change to Daily Eating Lunch Timetable**

On Monday 2<sup>nd</sup> September we flipped our eating lunch time from the start of our 1<sup>st</sup> Lunch break to the END of our 1<sup>st</sup> Lunch break.

Children go out for play at 10.45am and then return to their home group at 11:25am to have their lunch inside until 11:40am.

The school day and amount of recess time and the amount of learning time has not changed. The ONLY thing that has changed is the time children are eating their lunch.

Lunches that have been ordered arrive in time for children to eat inside. Icy pole sales in Term 4 will stay as the same time.

We continue trialing this new structural change as schools currently using this approach have noted many benefits.

## **SCHOOL UNIFORM - CHANGEOVER PERIOD**

Please note that there will be a changeover period for uniform at the beginning of Term 4, where we will allow another four week period for the changeover from Winter to Summer Uniform. This can be used at the discretion of the parent/ carer depending on the weather conditions (ie. It may still be quite cold at the start of Term 4, therefore Winter Uniform can still be worn). The changeover period will extend to Friday November. Please remember school hats are a required part of our uniform in Term 4.

*Kind regards, Linda*

*A special message from Mrs Roynic.....*

## From Israel!

Hello dear boys and girls, staff, parents / carers,  
I send you greetings from the most Holy Land on our earth - Jerusalem.

I feel so blessed to be in this amazing place walking in the footsteps of Jesus as part of our pilgrimage to Israel.

We have seen and experienced so many wonderful places such as Bethlehem, Nazareth, Jordan River, Jericho, Bethany, Mount of Olives and the Garden of Gethsemane. We visited where Solomon's Temple was built, we went to Qumran - where the Dead Sea Scrolls were found, we swam in the Dead Sea - or I should say we 'floated' in the Dead Sea, we will be sailing on the Sea of Galilee next week, we went to the sight of the Last Supper and had Mass where Jesus was Crucified. These and so many more wonderful, memorable experiences and sights are things I will never forget.

I have been thinking and praying for everyone in our wonderful Corpus Christi community while in this special place. I often reflect on how most fortunate we are to have our school named in honour of our Lord Jesus Christ - Corpus Christi. Our learnings here are plentiful but always lead to the person of Jesus as our greatest teacher of how to bring hope, peace and love to our world.

It has been an honour to be immersed in this land and to have had the privilege to meet and learn from many inspirational people who generously shared their stories and their deep love of this holy land.

I wish you all a wonderful and safe holiday break and look forward to seeing you at the start of term 4.

Go gently and with peace.

**Blessings to all.**

**Linda**

***We look forward to seeing Mrs Roynic at the start of term 4!***

*Our Pilgrim Group on the steps at the Temple Mount*

*The Church of the Holy Sepulchre*

*Floating in the Dead Sea*

**LOST PROPERTY !!!** Items in Lost Property will be removed at the end of term, so we encourage families to have a look along our walk way, where they are displayed at the moment to see if any items belong to them.

# Education in Faith

It's been a wonderful term of celebrations and learning! Not only have we had different whole school and unit celebrations but our Foundation, Junior, Middle and Senior units have been investigating different areas in Religious Education during Term 3.

**Foundation** have been exploring Psalms and how it tells us about God and how it is written by different people.

**Juniors** have been investigating what it means to be the Body of Christ in our world through stories and the life of St. Mary MacKillop

**Middles** have been exploring Eucharist through the idea of nourishment, journey and belonging.

**Seniors** have also been exploring Eucharist and have begun their unit on Mission. Students are investigating ways to make a difference in their community.

## **FIRST EUCHARIST**

We congratulate our Year 4 students who received their First Eucharist on **18th August at St. Andrew's Church**. Fr. John Paul and Fr. Albert celebrated the masses and it was certainly a special day for our families. We thank our parents, teachers and those involved in the preparation of their child's First Eucharist. We continue to pray and support our students as they grow in their faith.

## **FATHER'S DAY LITURGY**

We thank those who attended our special liturgy after the Father's Day Breakfast and Chat. The turn out was amazing! We are grateful for all our dads, uncles, grandads and special men in our lives.

## **SENIOR MASS**

We warmly invite families in the Senior Unit to attend their Unit Mass this Thursday 19th September, beginning at 9am in the MFR.

## **COMMUNITY MASSES**

Last Sunday 15th September, we held the monthly community mass at St. Mary of the Cross Chapel with a special focus on Middles. We warmly invite all families to attend our next community mass on the 20th October at 10 am.

## **MISSION WEEK—SOCKTOBER!!**

In the month of October, we will raise awareness for Catholic Mission's Socktober 'Sock it to Poverty' campaign. Socktober is an initiative of Catholic Mission. The 'sock it to something' concept is an Australian expression that means to strike out at. We want to invite you to help us strike out at social issues, such as poverty, child labour, child trafficking, homelessness and lack of education. Students can wear odd socks on Fridays in the month of October for a gold coin donation. We will have a Mission Week Prayer Service, on Friday 11th October at 8:50am in the MFR.

**Upcoming Events:**

19th September—Senior Unit Mass 9am in MFR

11th October—Mission Week Prayer Service 8:50am in MFR

Miss Richelle Mendoza, **Religious Education Leader**

# Learning & Teaching News

NAPLAN results have recently been sent home to all Year Three and Year Five parents and carers. Please read all the information on the Parent Report Information sheet that accompanies each student's NAPLAN report. This information will help you understand what the report is telling you about your child's performance on these tests.

Please remember that these tests were completed four months ago and represent your child's performance for that time only.

Students also completed these tests online for the very first time and this could have had an impact on their results.

Remember to keep the NAPLAN Student Report safely filed for future use. Secondary school applications ask for a student's Year Three and Year Five NAPLAN report as part of the application to attend that particular school. These reports are only sent to parents and carers, not the school.

If you have any questions about NAPLAN results please see your child's teacher or myself.

Wish you all a very safe and happy holiday break!

**Mrs Peta Cesarec, Learning and Teaching Leader**

## **ICT NEWS - CEMSIS - School Improvement Survey**

On Tuesday 2nd September, families were sent home letters regarding the School Improvement Survey. One of the main goals of the family survey is to identify the strengths and areas for improvement in our school. CEMSIS data benefits everyone within our school and provides valuable community insights on areas that each school can focus on. Our school believes it is important to encourage families to have a voice and contribute to shaping the ongoing improvement of our school.

Thank you to the families who have already completed the survey. If you are still to complete the survey, it is still available online until **Friday 20 September**.

**Thank you, Anne Walton**

### **Stay connected with news & reminders from your child's learning community!**

# Learning Community News

## MIDDLE UNIT NEWS....

In the Middle Unit, we have been learning about The First Fleet. We've been looking at the travels of Captain Cook and life in the 1700-1800s in England. We explored the voyage of the First Fleet, the life of early white settlement in Australia as well as the effect of colonisation on Indigenous Australians. As part of our learning journey we went on an excursion to Polly Woodside and visited Captain Cook's Cottage in Fitzroy Gardens. The students found this experience rich and exciting.

In Mathematics, the students have been looking at Fractions of a shape, length and a collection. We also conducted surveys gathering data and presenting them in a tally and on a graph. We have also analysed the data by writing statements about our observations.

In Literacy, the students have been engaged in different reading workshops and independent activities relating to literal and inferential comprehension.

Kind regards,

**The Middle Team-** *Helen Drezga, Ben Richards, Megan Urlichs, Stephanie Mobilio, Eugene Volkwyn, Jenai Harrington, Lyn Tramontana and Karen Pacifici.*

## FOUNDATION UNIT NEWS....

Congratulations to all our Foundation students on a Fantastic Fun- Filled Term 3!

In Maths, we have been learning how to add and take away numbers. The students have used hands on materials such as counters/ unifix blocks as well as number lines to represent numbers getting larger and smaller. We were then able to create number sentences to represent this information.

Our Musical instrument immersion sparked our students imagination to create different sounds by using materials from our environment such as sticks, leaves and gumnuts. In Inquiry, the students were then lucky enough to design and make their own instruments using recycled materials.

In Literacy, we have continued to use colourful semantics to identify information in a story. We have discussed the 'Who', 'What Doing', 'Where' and 'When' of a story. This has helped us break down a story and understand what we are reading. Please continue to read with your child over the holidays so they can practise using different reading strategies for unknown words and identifying parts of a story. .

We wish you all a safe and happy holiday. We look forward to seeing you all back for an exciting Term 4.

Stay up to date with the happenings in Foundation on the Remind App : Yellow [@yellow2019](#) **OR**  
White [@whitecomm](#)

Yours in partnership,  
**The Foundation Team**

# Learning Community News

## SENIOR UNIT NEWS....

We have continued to have a very busy and productive Term Three. Students have been busy working to criteria to complete historical narratives to include some significant events and people of Australia's history. We look forward to hearing the many elements of knowledge and understanding of significant events and people that have shaped Australia as a nation through the creative presentations of the 'Show What You Know' task. During Religion, we have taken our experiences and themes of the Sacrament of Eucharist into exploring past and present examples of Discipleship in our world to assist in gaining understanding of our mission in the world today.

Our Wellbeing Workshops have been a great success as students build their bank of strategies to make friends, deal with stress, be positive, manage their social filter, explore being confident and effective ways to manage peer pressure. They have also expanded their awareness of ways to manage stress and change and prepare ourselves for transitioning to new roles, responsibilities and experiences.

Our second round of Book Clubs will come to an end with many students celebrating finishing a book, being involved in discussions, comparing & contrasting events and characters along with developing inferring comprehension skills. Many book discussions will end with comparing and contrasting different interpretations of a text.

We look forward to ending our last week of Term Three as we finish exploring some Mathematical concepts of measurement and expanding our tool kit of effective addition and subtraction strategies. These concepts will continue to make some appearances in our learning as the year progresses and we make links to all areas of Mathematics.

Senior TEAL Community Remind Code is @seniorscc

## JUNIOR UNIT NEWS....

This term in the Juniors, students have enjoyed writing narratives, being creative crafting stories with characters, settings, problem and solution. We have been investigating adjectives to help visualise our stories. We will continue writing stories next term.

It's been great to see students enjoying their workshop groups. In Reading workshops, we have been retelling, and comprehending different features of stories, as well as looking at different sounds in words. Students have been identifying the main idea, making inferences about characters, sequencing stories and making connections when reading.

In Religion, students have been learning about why Jesus is the Body of Christ. We have looked at different ways Jesus shows why he is the Body of Christ, through stories, parables, missionary work and the miracles he performed. Students have been looking at ways that we can be like Jesus.

In Mathematics, students have explored all the different ways of measuring such as measuring the length, area, volume, capacity and weight of different objects. Students have now begun learning about time and how to read analogue and digital clocks. This will continue into next term. Ask your child to tell you the time, when they see a clock.

We have also finished our units on Multiplication and Division. Continue at home to skip count, create equal groups, begin recalling multiplication facts of 2s, 5s and 10s and solve number problems to maintain these skills. Next term students will be learning about Money and Fractions.

Students have enjoyed learning about different aspects of forces, sound, light and sense during Inquiry and investigation by participating in different experiments. Students recorded their learning on camera.

The teachers have been busy planning for the Camp on Campus program which is held the second week back of Term 4 on Thursday 17th of October and Friday 18th of October.

Well done Junior students for a great terms work.

Yours in Partnership, Michelle Surmiak and the **Junior Team**

# Spring in our COMMUNITY GARDEN

A special thank you to Megan Pateras, Mrs Anne Walton and Shae for donating flowers, tomatoes and citrus trees for our garden. We love them!

It's been a busy few weeks in Garden Club! Thanks to our wonderful student helpers!

Please keep an eye out for seed packs from Woolworths! If you have extras or some you don't need, we would love donations for school. Thanks!  
From CC Gardening Club

**Mrs Elissa Ardizzon, Wellbeing Leader**

# CORPUS SPORT NEWS

Congratulations to the Corpus Christi Athletics Team for their outstanding effort, sportsmanship and behaviour at the District Athletics Carnival at the VU Athletics Track on Wednesday 21st of August. It was great to witness admirable performances and sportsmanship from all of our students. Thank you to the Corpus staff - Miss Mobilio, Mr Buslon, Mrs Pacifici and Mrs Baird for attending on the day to ensure all our students were supported. A special mention to the parents that chose to give of their time to assist with duties on the day; your efforts were a valuable contribution to the success of the carnival.

We further congratulate Amilia Portelli (Year 4) for her outstanding personal achievements on the day. Amilia was awarded the 10 Year Old Girls Age Group Champion Medal.

The Corpus Christi community wished the following students all the best for their next level of competition: Loritta Bonsange, Amilia Portelli, Bridgette Murphy, Olivia Shepherdson, Chase Morris, Charlotte Paterson, Livinia Walsh, Ethan Morris and Matthew Musarra.

They competed in the SSV Hobsons Bay, Western Ranges & Wyndham Division Athletics Finals on Thursday the 12th of September at the VU Athletics Track in Hoppers Lane. Further information on their performance will be included in the next newsletter early in Term 4.

*Miss Dee Dundov*

Physical Education Specialist/Interschool Sports Coordinator

# FOOTY COLOURS DAY

Students and staff at Corpus participated in the annual Footy Colours Day on Friday the 13th of September to support and raise funds for Fight Cancer Foundation. The day was full of colour and fun across the school and we were very fortunate to have many members of our school community contributing to the success of the day. Thank you to our former parent Mr Andrew Klyszcz and Mr Leigh Childs (Stirling in Foundation) for their energetic Auskick clinics on the front oval. The Parents and Friends did a great job with feeding the hungry mouths with hot dogs...many thanks to all the parents helping out on the day. We were also very fortunate to have a few Yr 11 & 12 MacKillop students visit us on the day. Their engagement and support was greatly appreciated by all. Thank you to all the families that donated money to this great cause!

Miss Dee Dundov

# P & F Term 3 News!

Parents and Friends organised the following fundraisers and activities for our school community. We would like to thank everyone who has continued to support our school especially our parents who helped with the Footy colours Day as a cook, food transporter, counter of money, ordering the food and sauce etc.

## Jeans for Genes Day

Thank you for donations to this worthwhile cause which was held on Friday 2<sup>nd</sup> August. Children enjoyed the chance to wear their jeans to school.

**Father's Day Stall** was held on Thursday 29<sup>th</sup> August and our students were keen to purchase something special for their dad, uncle or grandad. Thankyou to those who manned or womaned the stalls.

**Friday the 30<sup>th</sup> August** saw our Father's Day breakfast, guest speaker and liturgy occur. We had a huge response to this special day, with many dads or special men in our students lives enjoy the yummy breakfast of a hot drink, bacon, eggs or kransky. Thankyou to the Trovarelli family for supplying our bacon, bread and sausages. Thankyou to our some of wonderful staff who cooked the breakky on the day and served the dads.... Mr Volkwyn, Mrs Baird, Blair Adamko, Mrs Vicek, Mrs Flynn, Mr Buslon and for supervision on early yard duty Mrs Cesarec, Mrs Walton and Ms Dundov.

**Footy Colours Day (Hot Dog Lunch ) –was held last Friday the 13<sup>th</sup> September.** It was great to so many codes of ball sports represented. Some of our members cooked the hot dogs and distributed them to the eagerly awaiting students.

***Thankyou for your support in all of these activities.***

**Meeting dates : 7:00pm in Corpus Christi Staffroom, The 17<sup>th</sup> September** was our final meeting for Term 3. Next Meeting is Tuesday 15th October.

As always your help and support is very much appreciated as we continue to work together for the benefit of our school community.

## **2019 SCHOOL CALENDAR & EVENTS**

# Transition to School

## Free Program

To help prepare children and families for school. Children will have the opportunity to make friends and become familiar with what to expect when they start school

## What we provide:

- Fun Activities
- Guest Speakers
- Information Sessions
- Activities to ease transition
- Opportunities to discuss and ask questions

## When:

**Every Friday**  
(during school term)  
**1.30pm–3pm**

## Where:

**The Manor Kindergarten**  
186 Werribee St Nth  
Werribee 3030

## Age:

Transition to School playgroup is for children who are ready to start preparing for school, or are feeling nervous about starting school. Younger siblings also welcome
