

Corpus Christi Primary School

COVID-19 Update 23rd March

Dear Parents / Carers,

These are indeed difficult, emotional and strange times in our world and certainly in our school.

Yesterday the Premier of Victoria announced additional steps to combat the spread of the coronavirus (COVID-19), which included bringing forward the school holidays in Victoria to commence from tomorrow - **Tuesday 24 March. Therefore today is the last day for children for Term 1.**

At this point in time Quantin Binnah (QB) is still providing child care for those that may need to use their service during the next 4 days and into the holiday period. You can contact QB for up to date information and bookings on 9742 5040.

I will provide further updates to families and information regarding preparation for “Learning at Home Plans” and how these will operate at Corpus Christi, as soon as possible.

Stay safe and go gently!!

Kind regards,

Linda
